

V/F VALIDATION® TRAINING INSTITUTE, INC
Basic Validation Workshop Schedule

Half Day

Purpose: This workshop is designed for health and human service workers, families and volunteers who wish to learn how to communication with disoriented “old-old” people. Its overall objective is to restore dignity to the old person; to teach empathy; self-awareness of one’s own aging; and the application of Validation Techniques.

- Objectives:
1. List the physical, social and psychological characteristics that lead to change in very old age.
 2. Experience an awareness of yourself.
 3. Differentiate the phases of disorientation in older people.
 4. Identify specific Validation helping techniques.
 5. Formulate ways of preventing burnout and ways of reaching a wise old age.
