Teaching Validation online, or want to?

Learn how to create a community of inquiry online and effective learning for your audience.

This continuing education program focuses on demonstration, practice and integrating new practices into your skill-set.

Your facilitator: Vicki de Klerk-Rubin

Part 1: In your own time watch 6 very short videos that teach aspects of online learning and pedagogy.

Part 2: Zoom Session 1

Introduction to Zoom and Google Drive applications

Part 3: Zoom Session 2

Explore Zoom and Google Drive tools in detail: polls, breakout rooms, quizzes, surveys and other tools

Part 4: Zoom Session 3

Build an online curriculum for a Validation webinar.

Part 5: Zoom Session 4

Each person delivers a section of their webinar and receives feedback from the group.

This 5-part program starts with independent learning from videos and short assignments. This is followed by 4 interactive meetings.

This training will give you:

- pedagogic knowledge specific to online teaching
- creative ways of teaching Validation online with webinars, interactive classes and blended learning
- practice in using various software

The **2-hour webinars** are interactive and require participants to have hi-speed internet, a functioning camera, microphone and speakers. It will be held on Zoom video conferencing.
