Dear Naomi,

we have received your message and we think of you with a lot of energy and great affection. We send you all our strength in this period and we thank you all your precious teachings that have enriched not only our way of working but our way of living as well.

We will commit ourselves to carrying on the dissemination of the Validation's principles so that people can learn to age better and avoid being disoriented elderly people with sincere affection and great esteem. The Teachers of Validation of Trieste. *Ilaria* *Miriam* *Francesco*
